artbeat

St Fiacre's Primary School is a small Catholic school in the Inner West region of Sydney. Each year our Parents and Friends' Association is actively involved in fundraising to meet the needs of our school.

Every year we hold only one major fundraising event.

This year we will host **ARTBEAT on Friday 7 November 2014, at 7.00pm**.

ARTBEAT is a beautiful exhibition of our children's art which captures and celebrates their creative talents. It is also an event through which we engage with our community. To ensure the success of this important event in the life of our community, we are seeking your support.

We are looking to raise $30,000 from our annual ARTBEAT to ensure we continue to provide the best possible learning environment for our children.

Every student deserves a contemporary state of the art learning environment and your support and donation will help us ensure this. Money raised on this night will support major improvements and upgrades to our school, including major improvements and re-development of our playground.

If you would like to be part of this event by making a donation, your support will be acknowledged on the evening and through the school's newsletter as well as the ARTBEAT website - www.artbeat2040.weebly.com

I acknowledge that the person distributing this letter is an official representative of the St Fiacre's Parents and Friends' Association and as such is authorised to collect donations on behalf of the school.

We appreciate your generous donation and thank you in anticipation of your support.
